Why Search Beyond "DIRECT SEARCH" From Ancestor's Detail Page?

- Additional Databases can be searched such as: IGI Patron Submitted (332M records)
- Billions of original images which are not indexed can be browsed like films.
- Many records are overlooked when broad search are made. Narrowing the search to a specific database is more thorough. (Ex. 434M Utah, State Archive Records, 1848-2001)
